Scale Service Agreement Quote

Attn: Scale Users.

Midwest Scale is accredited to ISO/IEC 17025: 2005 and will inspect, test and calibrate your weighing equipment using test weights traceable to the National Institute of Standards and Technology (NIST) & ANSI / NCSL Z540-1-1994. Your scales will be guaranteed to be accurate to HB44 Tolerances, unless otherwise specified by customer. This Service Agreement will entitle our customers to preferential rates and will perform inspections to specific requests.

After completing the requested information, please fax this form to 800-870-0075, thank you.
